

Sour Grapes Course Details

- The 10.55K & Half Marathon follow the same course, the half marathoners will follow the loop twice.
- The start is a mass start and timing will be based on Gun Time. Participants should line up based on their normal pace with the fastest in the front and slower further back. 10.55K walkers should be at the very back.
- When approaching the finish line after the 1st lap, 10.55K runners and walkers should make sure to cross the finish line where they will be chip timed. Half marathoners should **NOT** cross the finish line at the end of their 1st lap, but should continue on the course for their second lap, crossing the finish line at the end of their 2nd lap.
- Water stops are noted on the map below. Please note that you will pass the water stop labeled “5 Corners” 3 times per lap. You will pass the other two water stops once each lap.
- The half marathon is a running race and the course will close for timing at 11:45 AM.
